### The Ticket Reserve | Web Design/Front-End Dev. & Graphic Design

11/2013 - 02/2016 • 840 S. Waukegan Rd. Suite 200, Lake Forest, IL 60045 (I telecommuted from Ogden) • Matt Hatch - Supervisor - (312) 451-7686, Matt Nelson - CFO - (312) 925-0701

This is a tech company that I worked for that licenses a web ticketing platform called TeamTix. You can learn more about the software at [teamtix.com](http://teamtix.com). Basically we integrated software into our licensees' websites to create a seamless ticketing platform. My main jobs for the company were: Responsive Design, Interaction Design, and Graphic Design. The software was built as a Java web application, so we used a lot of JSTL on the front-end. Working in the Java environment taught me a ton about how a complete web application is built. My day to day involved: HTML5, CSS3, Adobe CC, Chrome Inspector, jQuery, NetBeans IDE, and much more...

### Hurricane Racing Mt. Hood Ski Bowl | Web Design/Dev.

03/2012 - 06/2015 (3 year contract) • P.O. Box 320, 87000 E. Hwy. 26, Government Camp, OR 97028  
Petr Kakes (503) 913-9320

I had the pleasure of designing and developing a web site for Hurricane Racing. From start to finish I worked closely with the founder, Petr Kakes. The website enabled customers to easily and intuitively find the information they needed. This is a long-term contract in which I manage the website.

See the site at [hurricaneracingoregon.com](http://hurricaneracingoregon.com).

### One World Press | Web Design/Dev.

08/2011 - 07/2014 (3 year contract) • P.O. Box 4410 Chino Valley, AZ 86323 • Bala Zuccarello (928) 636-3759

This was a long term contract with Bala Zuccarello, owner of four separate but interconnected websites: [oneworldpress.com](http://oneworldpress.com), [kalindipress.com](http://kalindipress.com), [hohmpress.com](http://hohmpress.com), and [familyhealthseries.com](http://familyhealthseries.com). My part was: web design, web development, graphic design, website maintenance, and website updates. My tools for this job included: Photoshop, HTML, CSS, TextMate, and FileZilla.

### Harlo Interactive | Web Design/Dev.

01/2011 - 04/2011 (internship) • 700 NE 22nd Ave Suite 214, Portland, OR 97232 • Danny Decker (503) 517-8074

I jumped into Harlo Interactive for a 90 day internship. During that brief period of time at Harlo I refined...

...old web skills and learned new ones. PHP, MySQL and Code Igniter were the major focuses of the internship. I also did a lot of web page prep, and front-end web development using HTML and CSS. It was a great learning experience that taught me how to use some powerful tools.

### **Weber State University** | **Web Design /Front-End Dev.**

10/2009 - 06/2010 (9 month internship) • 3848 Harrison Blvd. Ogden, Utah 84408  
Adam Salazar (801) 540-4133, (801) 626-7977

At Weber State's Continuing Education division I worked as a web design intern in the marketing department. My work involved web design, web development, graphic design, and illustration. My responsibility was to re-design their website. I transferred all content into a new website structure, which was much cleaner and more user friendly. Most of my work was done with the use of HTML, CSS, Photoshop, Illustrator, and Indesign.

## **EXPERIENCE**

freelance design since 2009

### **Jim Felt Physical Therapy** | **Graphic Design, Branding**

08/2013 - 09/2013 (1 month contract) • 5734 South 1475 East Suite 200 B, South Ogden, Utah 84403  
Jim Felt (801) 475-7639

When Jim Felt decided to start his own practice he came to me for all Graphic Design and Branding materials. We started with the visual identity (logo) and colors and then went on to business cards, letterhead, RX Pads, and outdoor /window signs.

### **Proper Villain Productions** | **Logo Design**

12/2012 - 05/2013 (6 month contract) • Portland, OR • Colby Hayden (503) 522-1416

Proper Villain Productions had gone through 5 designers before coming to me for their logo design. The process for this design was highly collaborative between me, the founder, and his production team. After countless meetings and deliberation amongst the production team, a beautiful new visual identity was finally born, and they loved it!!!

### **Agging Chic** | **Illustration & Graphic Design**

11/2012 - 04/2013 (multiple contracts) • 700 E. Redlands Blvd. Suite U #331, Redlands, CA 92373  
Dr. Mara Hollander (909) 810-7675

For *agingchic.com* I created an info graphic of a woman's "Posture Age". The graphic depicted a woman in 5 successive stages of aging, each having a different posture; it was used on the website as a call to action. I also compiled various graphics to create a background throughout the entire website.

### **Pinnacle Marketing** | **Graphic Design**

03/2012 - 02/2013 (multiple contracts) • 605 East Barnes Street, Vancouver, WA 98661  
Steve Settle (503) 267-7028

Pinnacle Marketing Group contracted me part time to do graphic design, video editing, and powerpoint presentations design for large companies, including: HTC, Rackspace, and CDS Global.

### **WI-ME Snowboards** | **Snowboard Graphics**

07/2012 - 08/2012 (1 month contract) • 411 N Fair Oaks, Madison, WI 53714  
Jeff Lavin (207) 860-0337, (608) 436-2300

On this project I used hand drawn illustration, vector illustration, and graphic design for the WI-ME *LoveFear* snowboard graphic. The final product was a digital vector illustration printed on a snowboard via sublimation.

### StackHouse Media | Logo Design

05/2011 - 08/2011 • 12031 Ventura Blvd Suite 1 Studio City, CA 91604  
Adam Holdridge (720) 369-3292, Derek Morrison (503) 341-0468

StackHouse contracted me to do a hand drawn, rustic looking fountain and gateway, to be used as the visual identity for *stphilipsplaza.com*. They also contracted me to do a series of 10 preliminary logo designs for the golf and tennis social network *squidin.com*.

### Wasatch Project Freestyle | Graphic Design & Branding

05/2009 - 01/2010 • Heber City, Utah • Dustin Linker (801) 389-0493

For Wasatch Project I helped tell a story of up and coming freestyle skiers and snowboarders. This included a logo, business cards, letterhead, envelope, brochure, and magazine ad in *Transworld Snowboarding*. Just like the athletes the designs were bold, using strong red and black colors with sharp angular forms. Since the launch of their brand in 2010 they have been steadily growing.

### Weber State Snowboard Team | Graphic Design

01/2009 - 06/2010 • 3848 Harrison Blvd. Ogden, Utah 84408 • Dustin Linker (801) 389-0493, (801) 389-0887

Throughout my junior and senior year in college I worked as lead graphic designer for the Weber State Snowboard Team. For the team I produced a visual identity in the form of logotype, and numerous posters for advertising events and team membership.
